Planning and Zoning

The Planning and Zoning Department is primarily responsible for overseeing and guiding growth and development for the City. As well as, administers the City Code, Zoning Ordinance, Subdivision Ordinance and the Comprehensive Plan. The Administrator serves as a technical advisor on planning and zoning issues for the Planning and Zoning Commission and City Council.

Additionally, the Planning and Zoning Department is accountable for providing information to the public on land use issues, processing land use applications for zone changes, annexations, comprehensive plan amendments, variances, and conditional use permits. This Department works with land owners and developers through the various processes required by ordinance. Furthermore, the administrator sets on numerous committees and boards within the region.

The Planning and Zoning Commission meets the 3rd Monday of each month at 7:00 pm in the City Council Chambers.
